4.	At 11 a.m. on 22 October, no air activity was observed at the field. The doors of some hangars were open, but no aircraft were observed in these hangars. At 11:10 a.m., a MiG-15 crossed over the field. At 12:50 p.m., a Yak-11 landed, coming from the west. No additional air activity was observed up to 8 p.m. A rotary searchlight near the Adcock DF station was put in operation at 8:10 p.m.	
5。 25X1	The ammunition dump in the northern section of the field was surrounded by two fences. There were two watchtowers each occupied by a soldier and guarded by dogs. Five 37-mm AA guns were observed in the AA gun emplacement in the northwestern corner of the field. Ab8-seater personnel carrier  was parked near the PKV-45 FF station in the western flying lane. The operating personnel of the DF station were quartered in a low wooder building. There were also the superstructures of two radio trucks, one of them mounting a searchlight. Recently excavated ditches were observed in the northern section of the field, between the armunition dump and triangulation point 113.8 north of the fence. 2	25X1
6.	On 22 October, object 1 on Forst Strasse in Fineterwalde was occupied by Soviet Air Force troops. There was traffic by officers, female air force troops and EM. A sentry was posted at the barrier at the entrance. The Viktoria Hotel on Somnewalder Strasse and the warehouse on Kirchhainer Strasse were not occupied. No sentries were observed at the quartering buildings on Geschwister Scholl Strasse the doors of which were closed. Trucks were parked on both sides of the road. 4	\$
